STAT

Dear Chuck:

I received your letter today. The agenda looks fine. I would like to make a courtesy call on [Redacted] and the colonels, but we did have a long discussion with Dave when he was up here a month or so ago. Not sure a meeting with Southcom makes a lot of sense at this time. Neither chopper nor tactical nuclear warheads are appealing. If you are looking for time fillers, a little expansion of the sightseeing might be appropriate, but don't feel I need to be entertained on a 24-hour-a-day basis.

STAT

I am looking forward to the visit.
